imagination at work

Pro-Stock™ Projects

When you need to move *fast*, you need Pro-Stock Projects.

It gives you all the products you need for small projects right now, from your GE distributor's stock. You can't get any faster than that.

So to finish your projects faster, run to your GE distributor for Pro-Stock Projects.

Pro-Stock Projects covers:

- Panelboards
- Dry Type Transformers
- Safety Switches
- NEMA Combo Starters
- Lighting Contactors

Start your project fast with Pro-Stock panelboards

Pro-Stock panelboards use modular kits that form hundreds of different panelboards, all available *now* from your distributor's stock.

A range of interiors, boxes, fronts, kits and accessories give you everything you need to assemble the right panelboard, right now.

And not just any panelboard, either, but one that delivers:

- **Flexibility** – kits for main or subfeed breakers, main or feed-thru lugs, 200% neutrals and service entrance ratings
- **Simplicity** – one interior for top or bottom feed, main lug or main breaker
- **Choice** – either electronic trip or thermal magnetic breakers

Need to move fast? Choose Pro-Stock panelboards and other Pro-Stock Projects products from your authorized GE distributor.
